## REPORT OF SCHOOL BOARD.

---

*To the parents and citizens of the town of Troy:*

In compliance with the requirements of the statute, your school board submit their annual report of the condition of your schools.

The pupils have numbered 237—112 boys and 125 girls. They have been, as usual, instructed in six schools—three in the village, and three outside. The number of different pupils in the village schools was 186—90 boys and 96 girls; the number outside 51—22 boys and 29 girls.

They have been instructed by nine different teachers, five of whom have been residents of Troy, and two assistant teachers residents of the town. All teachers have been in a measure successful, and very good progress has been made by most of the scholars.

### GRAMMAR SCHOOLS.

There have been three terms of this school. The first term was taught by B. F. Gustin, who gave us what this school has needed, good discipline. The fall term was taught by Mrs. E. W. Dow; the pupils made good progress. The winter term was taught by Charles L. Simmons; nearly all seem to think we have the right man for the place. Whole number of pupils registered first term 28, second term 47, and the third term 53. Record of perfect attendance: first term 11, second term 10, and the third term 15. Instances of tardiness recorded for the year by terms: first term 14, second term 40, third term 39. John B. Ripley has a record for perfect attendance for the year, and constitutes the Roll of Honor.

## INTERMEDIATE SCHOOL.

Miss Eva M. Fisher of Fitzwilliam, taught this school during the year. The first term, the experiment was tried of having an assistant teacher, and Mrs. Alice Emory (an excellent teacher), was put in the school one-half of each day, which was discontinued after the first term. The teachers worked hard, but the scholars failed to make the improvement in their studies, usually made under the excellent teaching of Miss Fisher. Whole number pupils registered the first term 62, the second term 34, the third term 31; instances of tardiness recorded for the year 36—the first term, 18 pupils have a record of perfect attendance, the second term 12, the third term 9; two have a perfect record for the year, and constitute the Roll of Honor; they are Nellie G. Starkey and Frank Simmonds.

## PRIMARY SCHOOL.

Miss Grace M. Putney of Troy taught this school during the year, with Mrs. Jennie G. Whittemore as assistant the first term. Whole number of pupils registered the first term, 64; the second term, 58; and 52 the third term. Average daily attendance first term, 54; second term, 46; third term, 36. Instances of tardiness for the year, 141; 29 of these marks were against the names of two pupils that belonged to one family. Three pupils have a perfect record of attendance the spring term; the second term, 10; the third term, 5. There is no scholar with perfect attendance for the year.

## WEST HILL SCHOOL.

There have been two terms of this school, a spring term of 10 weeks and a fall term of 12 weeks, taught by Miss Florence H. Silcox of Troy. This was Miss Silcox's second year in this school. The pupils all made excellent progress in their studies. Number of pupils registered the first term, 15; the second term, 20. Instances of tardiness recorded for the year, 24. Roll of perfect attendance the first term, 5; the second term, 6. Four pupils have a perfect record for the

year and constitute the roll of honor. They are Susie M. Corey, Lillian M. Foster, Mabel J. Elliott and Harry E. Eastman.

#### EAST HILL SCHOOL.

There have been two terms of this school, a spring term of 10 weeks, taught by Miss Helen M. Guild of Walpole, and a fall term taught by Mrs. Hattie J. Parker of Troy. The pupils made excellent progress under the teaching of both teachers. Number of pupils registered spring term, 19; fall term, 22. Number of instances of tardiness recorded spring term, 1; fall term none. Roll of perfect attendance, first term, 6; second term 4. For the two terms two scholars have not been absent or tardy, and constitute the roll of honor. They are Josephine LaPoint and Arthur H. Parker.

#### MERRIFIELD SCHOOL.

There have been two terms of this school, of 10 weeks each, taught by Miss Laura J. Mitchell of Troy, with excellent success. The whole number of pupils registered 12. Instances of tardiness recorded, none. Roll of perfect attendance the first term, 7; the second term, 7. For the year 6 pupils have not been absent or tardy, and constitute the roll of honor. They are Clara L. Merrifield, Mary A. Goodenough, Mary J. Merrifield, Alice E. Merrifield, Lena D. Merrifield and Laura D. Merrifield. In this school there is not an instance of tardiness recorded.

## REPORT OF FIREWARDS.

---

There have been four alarms during the year.

March 4, F. Abbott's dwelling, near the brick yard ; totally destroyed, with contents.

May 5, Mrs. S. Whitcomb's dwelling and furniture ; damaged about \$400.

December 26, slight fire at M. V. Damon's pail shop ; steamer not taken.

February 17, a dwelling house owned by C. D. Farrar, near his mills ; totally destroyed, the occupants, O. W. Smith, and J. Guillow, losing a large portion of their effects.

The apparatus is in good condition.

Experience during the year shows that the steamer is available at all seasons, it being taken to Mr. Farrar's, February 17, in good shape, through the drifts.

We would advise the putting in of a large cistern, in the south part of the village, for better protection of property in that section.

Respectfully submitted,

ASA C. DORT,

Chief.

JOHN H. BIGELOW,

Clerk.
